Our Clients

CORPORATE TRAINING

- **SLA Adherence:** We treat the client SLA clauses with utmost importance and we are keen on fulfilling all SLA criteria
- **Our candidate evaluation criteria to pick strong SMEs:**
 - Strong technical trainers having abundant relevant experience in the skills required
 - Strong Communication Skills
 - We prefer trainers with not just teaching experience but also project exposure
- **Turnaround Time (TAT):** Quick / Acceptable Turnaround times even for Niche requirements
- **Lab support:** Configuring software, getting access to ids from service providers for various Operating system platforms (ids for IBM Mainframe Z/os Systems, AS 400 with SYNON, Unix, etc)
- **Training Materials:** Our trainers provide information of best resources / documentation for further learning / research
- **Backup Trainer support:** We understand that now and then due to emergencies of medical or other kinds the trainer may be unable to continue the program. As a contingency plan, as far as possible, we source additional trainers that will be available to back up the designated trainers within acceptable SLA policies.
- **We keep our trainers happy!**
 - They not only appreciate our timely payments but also appreciate our professional courtesy and rapport we maintain with them
 - We engage them regularly
 - We encourage them to cross train themselves on emerging and sought after technologies
- **Trainer Feedback:** Our customers consistently appreciate our trainers with excellent feedback and our trainers have won various awards like best trainer of the month on numerous occasions
